In Antarctica: An Amundsen Pilgrimage

Jay Ruzesky

In Antarctica: An Amundsen Pilgrimage Jay Ruzesky

Jay Ruzesky recalls a childhood of snow caves, literary ambitions, and a fascination with polar exploration that was ignited by the genes he shares with famed Norwegian explorer Roald Amundsen. As a boy, Ruzesky was captivated by Amundsen's diaries: an Antarctic exploration aboard *Belgica* when Amundsen was a twenty-five-year-old mate bent on earning his stripes; his historic navigation of the Northwest Passage from 1903 to 1906 where he intentionally froze in with his ship *Gjoa* over the winters to drift with the pack ice; and his triumph onboard his ship *Fram* to be the first to reach the South Pole on December 14, 1911.
