Matthew Meets the Man Travis Nichols

Matthew Swanbeck has a classic problem. Back in seventh grade, his dad talked him into playing the trumpet instead of the drums. Now he's a lowly brass player in the school marching band. Until one day he has an epiphany: He can start his *own* band, play in all the cool rock venues, even go on tour ... if only he can scrape together the cash to buy a drum set. But how will he ever get the money together when The Man thwarts him at every turn, taking taxes out of his paycheck, forcing him to mow the lawn for a measly \$10 a week, and creating all of those *rules* that get in the way of dreams? It's one teen against the system in this light-hearted look at the challenges and rewards of chasing your dreams.
