What happens to your estate after you are gone is very much within your control. Estate planning is not only for the wealthy; it is for everyone. It is simply the process of deciding where your assets are to be distributed after your death. For those people who wish to preserve their assets for designated purposes — such as family or special charities — it becomes necessary to make special advance preparations.

The right plan can protect the value of your estate and spare your loved ones unnecessary hassles and legal conflicts. The Complete Guide to Planning Your Estate in Virginia will help you glide through this complicated process. This new book has been adapted to offer Virginia residents state-specific advice for estate planning. Coauthors Linda C. Ashar, attorney at law, and Sandy Baker have crafted an estate-planning primer, allowing Virginia residents to become more informed and more involved during the process.

Virginia-specific information is offered throughout this book, including: Virginia's probate code; Virginia rules, regulations, and laws specific to estate planning; elements of a valid Virginia will; planning your living will in Virginia; explanations of Virginia laws regarding durable health care power of attorneys, do not resuscitate (DNR) orders, and directives to withhold CPR. The book's easy-to-understand context clarifies this complicated and sensitive subject and gives readers the power to take control of their future.

Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate.
