## **Vicksburg and Chattanooga: The Battles That Doomed the Confederacy** Jack H. Lepa

During the American Civil War few events produced more important strategic results for the Union cause than the campaigns resulting in the taking of Vicksburg and Chattanooga. Along with the Federal triumph at Gettysburg, these gains were decisive in bringing about final Union victory. Ulysses S. Grant was the man in charge of the Federal forces that achieved these two important successes. His solid competence and willingness to take calculated risks enabled him to overcome the twin challenges of difficult terrain and heroic Confederate resistance at Vicksburg, and to prevail against seemingly unassailable enemy positions at Chattanooga. This book is the story of the courage and determination that accompanied the triumphs and blunders of the officers and men on both sides.
