Fighting the Hordes: Total Apoc Trilogy TW Gallier

The zombie apocalypse was bad enough, but now Kyle, Olivia, and Ralph are captured by the town of Emory and forced to fight the horde as slave soldiers. It is unrelenting soul-numbing butchery. They plot their escape every waking moment. Their dreams of going home have not died.

When their escape attempt fails, they are given an offer they can't refuse – Guide a small force of armed men back to Carson to retrieve a cache of weapons and ammo, or be hung by the neck for "treason."

The decision wasn't that hard. Soon, they find themselves back on the road and knee deep in zombies and murderous survivors. In the new world order of might is right, they have to dig deep to find the strength to fight for their freedom and humanity.

Kyle was going home. No one living or undead was going to stop him.
