Grooming the Next Generation for Success Dani Johnson

Raise successful kids today! You can raise successful kids who mature into successful adults by using the right grooming techniques. It's easy and helps parents become more successful too! Mother of five and successful entrepreneur Dani Johnson has coached and mentored tens of thousands of clients to become successful and without exception, their biggest stumbling blocks to achievement were the things they learned while they were kids. Dani is uniquely qualified to write this book because of her first hand perspective and experience as a success coach and speaker. The book will help adults discover solutions to why they've struggled throughout their lives to reach the success they desire and also show them how to groom their own kids for success in life. This book is jam-packed with easy-to-understand and apply principles and proven practices that give parents, and anyone involved with young people, practical ways to raise children who are successful now and will continue to be as adults. Teaching virtues such as respect, honor, obedience, and financial responsibility while young guarantees lifestyle success in adulthood. Instead of fumbling through life, success becomes a natural occurrence rather than an accident that they hopefully run into.
