Personal Demons Stacia Kane

Megan promises listeners to her new radio call-in show that she'll "slay their personal demons," and they believe her. So do the personal demons. Although she doesn't know it, Megan is the only human without a personal demon on her shoulder. This, coupled with her psychic abilities, makes her a valuable weapon for any demon "family" that can gain her allegiance. It also makes her a serious threat -- not just to the personal demons, but to a soul-sucker known as The Accuser who has an old score to settle. Megan and her allies -- a demon lover who both protects and seduces her with devilish intensity, a witch with poor social skills, and three cockney guard demons -- have to deal not only The Accuser, the personal demons, and the ghosts of Megan's past, but a reporter who threatens to destroy Megan's career.
