Canadians visit chiropractors about 30 million times a year, and surveys show that patients are generally satisfied with their treatment. But studies also show that as many as two hundred Canadians a year suffer strokes brought on by neck manipulation. *Spin Doctors* takes a hard, dramatic, and spine-chilling look into the world of chiropractic medicine. You will be surprised to learn what chiropractors treat and why and how much it costs you as a taxpayer. Most importantly, you'll learn how to protect yourself and your family from dangerous adjustments, practice-building tactics, bogus treatments, and misleading information.
