Nestled in Upstate New York along the banks of the Mohawk River are the many communities of the Mohawk Valley. These villages, towns and cities have unique histories but are inextricably tied together by the waterways that run through them. The mills, railroads and the Erie Canal sustained early growth; the Painted Rocks beautified the landscape; and tales from the local Mohawk Nation still enrich the folklore. Many remarkable individuals have called the Mohawk Valley home, including psychedelic philosopher Benjamin Paul Blood, Queen Libby, the Daiquiris and actor Kirk Douglas. For over a decade, local native Bob Cudmore has documented the interesting, important and unusual stories from the region's past, and he has compiled the best of them here.
