Follow the "Drunkard's Path" to curved piecing!

You'll discover an introduction to curved piecing via one simple block--Drunkard's Path. Author Angela Pingel demonstrates how this single block can be put together in various patterns that look absolutely different in every combination. Drunkard's Path can create a sinuous staggering line like its namesake or curved motifs that form teardrops, arabesques, flowers, and other discrete shapes.

Dive deep into the basics of curved piecing and then explore a variety of projects including full-size quilts, baby quilts, pillows, and a table runner. Find inspiring new ways to use that old favorite, Drunkard's Path block, to create quilts that look new and different. *A Quilter's Mixology* is the perfect "next-step" book geared towards intermediate quilters or quilters looking for the next challenge.
