The man with allergies never gets the girl, at least according to the movies - and Portland restaurateur Ian Zamora wants to be the guy who gets the girl. So to rid himself of the sensitivities brought on by his sometimes-girlfriend's cat, he makes an appointment with allergist Petra Lale. But he suddenly finds himself acutely attracted to the very woman who is supposed to be helping him take care of his problem.

Petra's intrigued by Ian's quiet strength and sexy body, but her solo practice is new and struggling. She can't afford to compromise her ethics - or risk her medical license - by dating a patient. Falling in love certainly wasn't this doctor's order. She tries to stay away from Ian, but fate, and her weak willpower, keep bringing them back together.

Do two career-driven people with inexperienced hearts stand a chance of finding the right prescription for love?

Sensuality Level: Sensual
