Earths in the Universe Emanuel Swedenborg

Since, from the Divine mercy of the Lord, the interiors, which are of my spirit, have been opened to me, and thereby it has been granted me to speak with spirits and angels, not only with those who are near our earth, but also with those who are near other earths; because I had a desire to know whether there are other earths, and what their nature is, and the quality of their inhabitants, therefore it has been granted me by the Lord to speak and converse with spirits and angels who are from other earths, with some for a day, with some for a week, and with some for months; and to be instructed by them concerning the earths, from which and near which they were; and concerning the lives, customs, and worship of the inhabitants thereof, and of various other things worthy to be related: and because in this manner it has been granted me to know these things, it is permitted to describe them from what has been heard and seen.
