Maybelle in Stitches: Quilts of Love Series Joyce Magnin

Maybelle can't sew. But when she finds an unfinished quilt in the attic of her mother's house, she gets the crazy idea to complete it. At first, it's just a way to fill the lonely nights while her husband, staff sergeant Holden Kanzinzi, is away fighting in World War II.

Yet when Maybelle discovers that the quilt is made from scraps of material that can be traced back through her family heritage, the project is suddenly much more important. Then word comes that Holden is missing in action, and with little else to do, Maybelle clings to the quilt as much as to the hope that her husband is still alive. As neighborhood friends gather around Maybelle to help her through the unknown days and nights ahead, it is the quilt that becomes a symbol of her unflagging belief that Holden will return—to her, to their home, and to their quilt-covered bed.
