Superstar: A Novel Viva

A bold and uncensored fictional account of the wild life at Andy Warhol's world-famous Factory by a real-life superstar who witnessed it all

Author, video artist, underground film actor, and superstar, the incomparable Viva is arguably the most famous of Andy Warhol's protégés, a mainstay at the enigmatic artist's Factory. In her riveting, revelatory, totally uncensored, and scandalously entertaining novel, the Factory doors are blown wide open, exposing a world of sex, drugs, and genius.

Based on Viva's own life, *Superstar* is the story of Gloria, a repressed, convent-educated aspiring artist who escapes the strictures of her stifling existence and flees to New York City. Falling in with an iconic artist referred to as A. and his coterie of outrageous, beautiful avant-garde acolytes, transvestites, boy toys, and hangers-on, Gloria is reborn, undergoing a remarkable transformation from sheltered young innocent to sexual athlete, film star, and media darling. Over the course of her reawakening, she sheds her every inhibition as she experiences what ordinary people only dream about in their most secret fantasies . . . or worst nightmares.

Though the names have all been changed, the real stars of Warhol's factory are scandalously recognizable. Viva injects her own unique style and personality into a story at once outrageous and brutally honest: the unforgettable making of a superstar.

This kind of book exist new information the information that exist in this e-book represented the condition of the world currently. That is important to yo7u to understand how the improvement of the world. This particular book will bring you in new era of the globalization. You can read the e-book on the smart phone, so you can read the item anywhere you want.

Jeffrey Channell:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Superstar: A Novel can make you feel more interested to read.
