Trout Eyes: True Tales of Adventure, Travel, and Fly Fishing William G. Tapply

Fly fishermen everywhere will enjoy these varied, witty, and engaging adventures by one of America's finest outdoor writers. There is a long section on trout fishing called "Brookies, Browns, and Bows," and another on the challenges and excitement of saltwater fly fishing, and an exciting group of memoirs about fishing near home and in far-flung and often exotic places—like the Minipi, Bighorn, and Norfolk rivers, where the trout can beggar the imagination, and where frustration can be the occupational hazard.

Trout Eyes is a love letter to the fish we pursue and insects they eat and the waters in which they live.

Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
