Wibber Dibber Doo is a kitten who was born with a congenital eyelid condition which required surgery at a very young age. He was left with diamond-shaped eyes, and it was those amazing eyes that caught the attention of a woman visiting the local no-kill animal shelter. This rhyming story tells about how he was adopted, and the adventures he has in his new home with his new Meowmy. Charming hand-painted watercolor illustrations add a touch of cheer and whimsy to this sweet story.

A portion of the proceeds from the sale of the book are being donated to the animal shelter from which Wibber was adopted, to help them continue their no-kill mission of finding permanent, loving homes for animals in need.
