La musica delle scritture - Versione completa (Italian Edition) Pierluigi Toso

Questo libro affronta e incrocia il linguaggio teologico e biblico depositato nella tradizione cristiana col linguaggio musicale insito nel sistema armonico-tonale. Rendendo ragione e cercando di esprimere con altre 'parole' quanto espresso dal linguaggio filosofico-teologico. Risulta impressionante scoprire come la musica esprima con una precisione disarmante quanto la riflessione filosofico-teologica ha espresso in secoli e come la musica precisi e dirima quelle divergenze teologiche, vedi ad esempio la formula del Filioque, che hanno contribuito a separare il mondo cattolico da quello ortodosso e non solo. Alcune pagine inoltre sono dedicate a qualche riflessione inerente il colore e la teologia.
