For one energetic three-year-old, there are countless reasons to love his new big boy bed. There's room now for Teddy to sleep with him, and his painted clay lizard, and Hippo. He can go under the bed and pretend to be a dog and scare his cat, Whiskers. Best of all, he can get out of his bed any time he wants—as long as his parents don't hear him! Written with warmth and humor, this story captures the feelings surrounding a rite of passage that every child experiences. Eve Bunting's simple, reassuring text and Maggie Smith's bright, lively illustrations are just right for beginning readers and listeners.
