## **Women Leading Education Across the Continents: Sharing the Spirit, Fanning the Flame**

*Women Leading Education across the Continents* is the first collection of research about and stories of women in basic and higher education leadership from every region of the globe. The chapters are authored by scholars representing every continent, including a keynote from the first all female team to traverse Antarctica. The book captures not only statistical data about the position of women in basic and higher education in over 17 countries, but relates compelling insights and stories about the challenges that women face in leadership, the limited access to education by young women, and some strategies for success that have fanned a flame to light the way for both women and men to follow toward equity and social justice.
