## **Chic On The Side (Black & Broken Hearted Series Book 1)** Tiffany McDowell

This book contains graphic sex, and explicit language that is profane and prolonged. This book is written almost exclusively from the diary of Cortrell. It is the true story of a young mother's struggle to have a normal life of bliss with her black boyfriend and to convince him to honor his pledge to marry her after four children. The story examines the love the black couple shares and focuses on his obsession with keeping her pregnant, and on his even greater obsession with cheating on her. She ends up kicking him out, but finds she is still madly in love with him. In the end, she takes him back but hands him an ultimatum. He agrees to her terms, but secretly, he has a few terms of his own. What it all means is that she can't live with him and she can't live without him. How will she ever survive?
