Alan Tennant

On the Wing: To the Edge of the Earth with the Peregrine Falcon Alan Tennant

In this extraordinary journey, Alan Tennant recounts his attempt to track the transcontinental migration of the majestic peregrine falcon — an investigation no one before him had ever taken to such lengths. From the windswept flats of the Texas barrier islands to the Arctic and then south again into the Caribbean, **On the Wing** provides a hilariously picaresque and bumpy flight.

From the Trade Paperback edition.
