Psiquiatria na Prática Clínica (Portuguese Edition) Jair de Jesus Mari, Christian Kieling

“Não há saúde sem saúde mental” – diz um jargão hoje muito repetido para enfatizar a indissociabilidade entre problemas psiquiátricos e outros problemas médicos. *Psiquiatria na Prática Clínica* apresenta e situa a psiquiatria contemporânea para o estudante de medicina e o médico não psiquiatra.

“Em qualquer indivíduo, uma boa saúde é um elemento essencial para uma boa qualidade de vida. Um dos mais importantes determinantes de uma boa saúde é um estado mental equilibrado. Compreender e avaliar o estado emocional dos seus pacientes é um dever de todos os profissionais de saúde, que podem encontrar neste livro as principais diretrizes para o diagnóstico e tratamento dos transtornos mentais mais comuns que surgem na prática clínica.” Prof. Ley Sander MD PHD FRCP, Institute of Neurology, University College London.

“Por sua qualidade técnica, aliada a um texto fluido, *Psiquiatria na Prática Clínica* é indispensável e pode ser usado como um verdadeiro glossário ou manual prático por qualquer um que lide ou possa vir a lidar, em seu dia a dia, com pacientes psiquiátricos. Uma obra que trará benefícios a todos, mas principalmente, ao paciente com doença mental.” Prof. Flávio Kapczinski MD PHD, Professor Titular de Psiquiatria da Universidade Federal do Rio Grande do Sul.
