- Over 70 individual whole food recipes
- How to select specific whole foods, including when to choose organic
- Feeding timelines and milestones
- What to feed baby, in what order, and how much
- How to manage food hazards (allergies, choking, foods to avoid)
- How to manage digestive health and specialty diets (vegetarian, vegan, gluten-free)
- In-depth nutrition information
- Safe food handling and preparation guidelines

"An excellent resource for any parent who wants to make their child's first foods. An easy and informative manual to help make introducing solid foods a delicious and healthy start to a lifetime of good eating."--Dr. Blair J Guidera, MD, FAAP

"A terrific resource for both new and experienced parents who want to encourage healthy eating from an early age."--Dr. Michelle Wong, MD, FACOG

"Mums Baby Magazine we're really impressed with this clear and concise guide to creating baby food. We especially favoured the charts and guides which can be followed easily to produce daily and weekly feeding guides which offer children a wide range of flavours in an order specifically tailored towards infants...The RealSmart Baby Food book is well written and enables parents to gain the confidence and structure required to feed their children appropriately and healthily. We therefore give this book 9/10."--Mums Baby Magazine
