Steering the Stars Autumn Doughton, Erica Cope

Two girls. Two stories. One journey.

Be careful what you wish for...

Aspiring writer Hannah Vaughn worries that she is doomed to live out the rest of her existence in a sleepy Oklahoma town. For as long as she can remember, she's dreamed of something more – adventure, excitement, intrigue. When her sister invites her to London and she's accepted to a prestigious writing program at The Warriner School, she jumps at the chance. But will it be epic or an epic fail?

You'll never know if you don't try...

Nothing ever happens to straight-A student Caroline McKain and that's exactly the way she likes it. With her best friend in London and junior year looming on the horizon, all she wants is to remain invisible. So when she is suddenly thrust into the spotlight, she must ask herself: Can an invisible girl really take center stage?

Follow Hannah and Caroline as they navigate the complexities of first love, family and growing up. As their bond is tested, the girls will learn that being apart can ultimately bring you together. *Steering the Stars* is a fresh, heartfelt story about fate, discovery, and the magic of friendship.
