Visions of Heat (Psy/Changeling Series Book 2) Nalini Singh

A Psy/Changeling novel from the New York Times bestselling author of Shards of Hope, Shield of Winter, and Heart of Obsidian..."the alpha author of paranormal romance" (Booklist).

Used to cold silence, Faith NightStar is suddenly being tormented by dark visions of blood and murder. A bad sign for anyone, but worse for Faith, an F-Psy with the highly sought after ability to predict the future. Then the visions show her something even more dangerous--aching need...exquisite pleasure. But so powerful is her sight, so fragile the state of her mind, that the very emotions she yearns to embrace could be the end of her.

Changeling Vaughn D'Angelo can take either man or jaguar form, but it is his animal side that is overwhelmingly drawn to Faith. The jaguar's instinct is to claim this woman it finds so utterly fascinating and the man has no argument. But while Vaughn craves sensation and hungers to pleasure Faith in every way, desire is a danger that could snap the last threads of her sanity. And there are Psy who need Faith's sight for their own purposes. They must keep her silenced--and keep her from Vaughn...
