White Center: Poems Richard Hugo

Richard Hugo has been described by Carolyn Kizer as "one of the most passionate, energetic, and honest poets now living." Nowhere has that passion, energy, and honesty been more evident than in *White Center*, his newest volume of poems.

"That Richard Hugo's poetry creates in his readers an almost indistinguishable desire for more," writes the critic and poet Dave Smith, "is the mark of his ability to reach those deep pools in us where we wait for passionate engagement. What Hugo gives us is the chance to begin again and a world where that beginning is ever possible." Here, for his ever-growing body of readers, are more of those opportunities.
