Night After Night (Brotherhood of Blood) Kathryn Smith

Centuries ago, this magnificent chalice sealed my fate as a vampire, and now I am its protector. Many have hunted me for it, but only Vivian has accomplished the task. Strong, lovely, haunted . . . I am more attracted to her than I should be, yet her loyalty lies with a man determined to bring about my destruction. But I am not so easily locked in a cage, and now the captive has become the captor.

Though her stormy eyes tempt me, there is too much at stake—not merely my life, but the lives of my vampire Brotherhood. And I am not above using Vivian to achieve my goals, even if it means denying my own heart. The battle to end all battles is just beginning, and I must fight . . . if I could only let my desire be damned.”
