## **The Biggest Gang in Britain - Shining a Light on the Culture of Police Corruption** Stephen Hayes

A hard hitting, brutally honest account of police work during the late 1960's and 1970's. Whilst explicit, it is often humorous, refreshing and equally unbelievable. In this first book of a trilogy the author takes the reader through his early police service and in doing so reveals many working practices which in reality have become a culture of dishonesty, lies and often stupidity which has been accepted by the Government of the day, the judiciary and the public at large for many years. That is until the present day when it has all gone so wrong. Very, very wrong with the revelations of the Hillsborough Investigation, the Jimmy Savile Investigation, so many more and even 'Plebgate' when The Biggest Gang believed they were so powerful that evidence against Andrew Mitchell, a member of Her Majesty's Government left so many questions, yet to be answered. This book explains that such examples are not typical of a minority rogue element as being claimed but are a dishonest culture, born so long ago but allowed to fester and grow with the many examples and revelations which have continued until today with Hillsborough as only one shocking example.

The inside or content is actually fantastic as the outside or cover. Your reading sixth sense will directly show you to pick up this book.

#### **Clara Williams:**

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just little students that has reading's internal or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The Biggest Gang in Britain - Shining a Light on the Culture of Police Corruption can

make you sense more interested to read.
