The Effect

Linda Hoy

The Effect Linda Hoy

Parallel worlds... time-travel... life-after-death. The Effect cuts through the whole caboodle with a razor-sharp edge, ripping up distinctions between science and the spiritual with page-turning clarity. If you thought mysticism was only for the devout or gullible, or found physics unfathomable, buckle up your seat belt and hold tight. Linda Hoy's journey careers through quantum mechanics, high-energy physics and ancient wisdom with turbo-charged vigour.

Can we predict the future?

What happens when we die?

Does life have a purpose?

Does God exist?

The Effect uses twenty-first-century science to validate what mystics and spiritual leaders have been telling us for centuries. It introduces us to groundnuts and dimension-hopping goldfish. It examines the increasingly-common phenomenon of near death experience. It turns what we think of as reality on its head. It makes us cry and laugh out loud.

Prepare to be amazed.

Best-selling children's author, Linda Hoy cuts to the quick with her Quaker honesty and Yorkshire humour. With a penchant for live rock and alternative country music, Linda lives in Sheffield.
