The Flower Remedies discovered by Dr Edward Bach, MB, BS, MRCS, LRCP, DPH, are now used extensively throughout the world. They have earned themselves a highly respected reputation and many books have, over the years, been written on the subject to compliment Dr Bach's own *Heal Thyself Healers & Other Remedies* which represent the culmination and final record of his life's work.

Throughout his career, Dr Bach wrote many papers and literary compositions and this book provides a collection of his most inspirational work. It has been compiled with a great deal of thought and careful respect for his wishes. This book gives readers an opportunity to share his most uplifting and inspirational writings and stories, many of which have been reproduced in their original long-hand. Also included are character portraits by his friends and colleagues, some early photographs, letters and his own recorded case histories. Collectively they provide a wonderful insight into Dr Bach's thoughts and precise intentions for the future of his work.

This book, compiled by the curators and trustees of the Dr Edward Bach Healing Trust, offers a most enlightening and intimate appreciation of this great physician.
