Are you doing all you can to improve teaching and learning?

Culturally proficient instruction is the result of an inside-out journey during which you explore your values and behaviors while evaluating practices of your workplace. In the newest version of their best-selling book, the authors invite you to reflect on how you engage with your students and your colleagues as a community of learners. The third edition includes:

- An updated discussion of standards-based education guidelines
- A conceptual framework for the tools of cultural proficiency
- New language for understanding the microaggressions of dominant cultures
- An integrated guide for use with study groups
