**En la niebla de la guerra (Investigación e ideas) (Spanish Edition)** Andreas Schedler

Imaginémonos que México estuviera gobernado por una dictadura que haya asesinado a cien mil personas en los últimos tres lustros. Por un régimen que torturara, secuestrara y extorsionara de manera sistemática. Que exhibiera a sus víctimas en plazas públicas, los colgara de puentes y los abandonara desnudos y mutilados. Sería un horror, una herida abierta, un escándalo intolerable para todos los ciudadanos decentes.

Afortunadamente, no es el caso y México es una democracia. Desafortunadamente, los hechos de violencia son reales. No son producto de un gobierno dictatorial, sino de una guerra civil económica que comúnmente describimos como “la narcoviolenca”.
