Fame, Baby & Inspiration Derek Meyer

When Derek Meyer decides to start a family alone his life and emotions turn upside down and reunite the member of the excessive gay community with his former heroes from "Fame" once again.

Fame – How could we forget it`s name? Its high-voltage music and high-energy dance first hit our screens in 1982. At the New York School of the Performing Arts music, dance and drama were on the curriculum and the TV series had a massive impact on its actors` and viewers` life. Derek Meyer`s life was one of them.

Gene Anthony Ray and his co-stars from Fame inspired the farmer`s son Derek to believe in himself and work and fight for his dreams and even follow his idol to New York City years later, where he gets close to him.

The story accompanies Derek on his emotional journey and shows how inspiration enables him to grow and empower himself as the greatest challenge of his life is waiting for him.

“Fame, Baby & Inspiration” is not just a book for the fans of “Fame” but also for anybody who adores life.
