What if you had invented church small groups? Would anything be different? "We do small groups the way we've always done 'em." That seems to be the rule--but Austin Maxheimer and Zach Below ask the question: Why?

What if, they wondered, church small groups had been invented today instead of in the megachurch heyday of the 1980s? Would any "sacred cows" disappear--or at least be prodded toward fresh vision and action? They decided to find out.

From Couch to Community helps pastors, small group leaders, and group members:

-Face the "sacred cows" in today's small group ministries--and uncover how to create real life change instead.

-Shift church groups away from paradigms of complacency--and move people toward relevant, compassionate relationships.

-Discover how to help people far from God experience Jesus through small groups.

So...are you ready to activate anew the potential of your church community? Find out how inside.
