**Meet Jared-a cowboy with bit-in the latest paranormal romance from the national bestselling author.**

Jared Johnson has always been a force to be reckoned with, first as an outlaw and now as a vampire. Caught in a war between immortals, he doesn't have time to waste, but when a female vampire is attacked, he can't just walk away. He expects a quick goodbye, but what he gets is a vulnerable woman who intrigues and seduces while giving away nothing of the secrets holding her hostage.

Raisa may not have extreme physical strength, but she's been able to survive as a vampire longer than most by keeping to herself. But that's about to change. Forced to accept Jared's protection, Raisa finds it increasingly hard to resist his forbidden allure while keeping the secret that could destroy them both.
