My Korea: Forty Years Without a Horsehair Hat is a cultural introduction to Korea, part memoir and part miscellany, which introduces traditional and contemporary culture through a series of essays, stories, anecdotes and poems. The book seeks to tell the reader all that he or she needs to know for a full and rewarding life in Korea or as a visitor passing through. Confucianism, Buddhism, relationships, everyday living, language and literature are comprehensively covered. Newcomers to Korea are provided with insights into daily life. They are told how to deal with people and the intricacies of honorific language, how to handle business dealings, how to be comfortable with social ranking, and how to react when they bump into the cultural wall.
