Sexuality Education in Postsecondary and Professional Training Settings James Wm Maddock

Sexuality Education in Postsecondary and Professional Training Settings keeps you up-to-date on the trends and issues in sexuality education in colleges, universities, and professional training institutions. A diverse group of authors, all experienced sexuality educators, offers summary information, critical commentary, thoughtful analysis, and projections of future trends in sexuality education in postsecondary settings. This keeps you current on the status of sexuality education and will move you to consider a variety of concerns and challenges in designing and implementing sexuality education courses and programs. Finally, the chapters present you with valuable resources, ranging from historical references to contemporary website information. Beginning with an historical perspective on twentieth-century sexuality education, Sexuality Education in Postsecondary and Professional Training Settings includes information on the nature and extent of sexuality education in contemporary colleges and universities, as well as in institutions training teachers, clergy, and physicians. The book's expert authors analyze undergraduate curricular and pedagogical issues, as well as problems in classroom climate and the challenges of meeting objectives for behavioral change. Specific topics you learn about include:

- guidelines for teaching undergraduate sexuality courses--with a focus on philosophical issues; how to develop objectives and implement teaching strategies; print, media, and Internet resources for teaching; and commentary on controversial issues
 - effects of various workshops on the contraceptive-related attitudes and behaviors of college students
 - sexuality education and HIV/AIDS prevention education in teacher preparation institutions
 - perceptions of faculty regarding curriculum and approaches to sexuality education in clergy training institutions
- sexuality education in medical school curricula in the U.S. and Canada

Sexuality Education in Postsecondary and Professional Training Settings is a valuable guide for sexuality educators in postsecondary settings and educators in corollary areas such as health education, educational psychology, family education, or curriculum development. Also an informative and useful text for scholars, researchers, professionals, and students in the fields of sexuality education, behavioral sciences, applied social sciences, and social policy, this book presents a variety of philosophical and methodological approaches to vital issues, ranging from qualitative phenomenological and interpretive methods to quantitative analyses to critical essays.

Rose Bennett:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Sexuality Education in Postsecondary and Professional Training Settings can make you feel more
