The Danger of Destiny: A Mystwalker Novel Leigh Evans

WHY WHISTLE IN THE DARK...

There are very few days off when you're on an epic quest. Believe me, I know. I'm Hedi Peacock-one half Fae, the other were-and if being a half-breed with one foot in each world isn't tough enough to manage, there are the four chambers of my heart to consider. The one who holds the strings? Robson Trowbridge, the Alpha of Creemore. If I had my way, he and I would be locked in a bedroom, for *eternity*, but a pressing family matter needs my attention. It's true what they say: A woman's work is never done.

WHEN YOU CAN HOWL AT THE MOON?

My twin brother is being held captive by the Old Mage in another realm. Lo and behold, as soon as Trowbridge and I arrive in Merenwyn, we're separated in spectacular, dramatic fashion-and I'm left to figure out how to maintain the fragile balance between my Fae magic and my wolf's blood in a realm that cries to both. Not easy, particularly when I'm keeping an iron-grip on my temper so as not to dispatch with extreme prejudice the odd wizard or smart-mouthed mutt servant who crosses my path. My mama never told me there'd be days like these, but I'm not going down without a fight...or my mate.
