The Rising World Trilogy (3 Book Series) T. R. Williams

From Book 1: In 2027, the Great Disruption shook the world. An unexplained solar storm struck the earth, shifting it four degrees south on its axis. Everything went dark. Humanity was on the verge of despair. Then a man named Camden Ford discovered a set of ancient books called the *Chronicles of Satraya*.

Thirty years later, the world is a different place. Thanks to the teachings of the *Chronicles*, hope has been restored, cities rebuilt, technology advanced. The books also have a different owner: Logan Cutler, who inherited them when Camden mysteriously disappeared. But when Logan auctions off the books to pay his debts, they fall into the wrong hands. The Reges Hominum, a clandestine group that once ruled history from the shadows, is launching a worldwide conspiracy to regain control.

Soon Logan realizes he's made a terrible mistake. With the help of special agent Valerie Perrot and the wisdom of the *Chronicles* as his guide, he embarks on an epic quest to get the books back before it's too late.

Abounding with questions about humanity's secret past and its unknown future, *Journey into the Flame* will not only take you to the start of an incredible new world, it will also take you deep into the greater mysteries of the self.

This specific book can be one of a step for you to get success. This e-book offer you information that might be your friend doesn't recognize, by knowing more than some other make you to be great people. So , why hesitate? Let us have The Rising World Trilogy (3 Book Series).

Ann Lang:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just small students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Rising World Trilogy (3 Book Series) can make you feel more interested to read.
