A TAXI DRIVER'S JOURNAL: A NOVEL Joseph Lobaito Jr.

Essentially, this is about one man's journey of struggling to exist in what's supposed to be the greatest, and wealthiest democracy in the world. Because of unfair, bad, abusive, corrupt policies in modern America, Joe can't get a job, except for driving a cab. A story of one man's journey whose life is such a mess because of crooked politicians and crooked corporations, his life gets even messier when he becomes a cab driver.

When Joe realizes the government voted to make it legal for corporations to run credit checks on job applicants for a job and making it legal for landlords to run credit checks on apartment renters applying for an apartment, he finds himself in a constant race against time to avoid homelessness and starvation.

Without getting his New York City Taxi and Limousine Commission cab driver's license, driving in all kinds of extreme weather, and driving crack-heads and drug dealers and risking his life, and interacting with real New York City taxi drivers and cab drivers, this book could not have been written. This book is fictional, but the stories are mostly true, adapted from my identical twin brother's years as a cab driver and New York City yellow taxi driver. This book may have a roughness to its writing, because Joe wrote this book under constant pressure on scraps of paper on the way home from work on the bus or on the train or on the Staten Island ferry, or in his cab. He called this his taxi driver journal.

If you've ever enjoyed a story of an underdog battling giants, and that we all have a purpose in life, and things happen for a reason, and there's a bigger picture to our lives and the lives of many others than we think. And that having even just the littlest hope can impact a life or lives, this is a story like that. His darkest memories he keeps to himself.

From reader reviews:

Willie Blackburn:

What do you concentrate on book? It is just for students since they are still students or that for all people in the world, what best subject for that? Only you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be compelled someone or something that they don't desire do that. You must know how great along with important the book A TAXI DRIVER'S JOURNAL: A NOVEL. All type of book is it possible to see on many options. You can look for the internet sources or other social media.

Kenneth Grimes:

In this 21st one hundred year, people become competitive in every way. By being competitive at this point, people have do something to make these survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated that for a while is reading. That's why, by reading a book your ability to survive increase then having chance to stand up than other is high. For you who want to start reading the book, we give you this A TAXI DRIVER'S JOURNAL: A NOVEL book as starter and daily reading reserve. Why, because this book is usually more than just a book.

Eddie Bussell:

As people who live in the particular modest era should be change about what going on or information even knowledge to make these people keep up with the era that is always change and advance. Some of you maybe will certainly update themselves by looking at books. It is a good choice in your case but the problems coming to you is you don't know what one you should start with. This A TAXI DRIVER'S JOURNAL: A NOVEL is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

Andrew Leavens:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this A TAXI DRIVER'S JOURNAL: A NOVEL can make you sense more interested to read.
