## **Il giglio nordico (Giorni possibili) (Italian Edition)** Alessandra Toti

Quando la fantasia travalica la ragione, lo fa spesso suscitando sensazioni intrise sia di leggerezza che di fantastiche magie, molto prossime a mondi impossibili. Tuttavia in questo romanzo la fantasia non si limita a essere una descrizione fantastica, perché si dimostra in grado di aprire la porta al desiderio di superare i propri limiti. La storia che qui è raccontata non è dunque solo una bella storia, o se vogliamo una bella illusione, ma un modo per guarire dai propri mali, quelli che spesso si annidano dentro di noi. La magia racchiusa in questo libro non è più dunque solo una chimera, perché ha la capacità di creare un mondo prodigioso, quello che tramite l'amore sa curare gli uomini dalla loro tristezza.
