## **Learn Samputita Sri Suktam** Amma Sri Karunamayi Vijayeswari Devi

In this learning CD, Amma teaches the pronunciation of each word, and also chants the entire Samputita Sri Suktam, so that listeners can easily follow along and learn. The Sri Suktam is a beautiful Vedic hymn that describes Divine Mother Lakshmi's supreme love and compassion for her children. The Samputita Sri Suktam combines the Sri Suktam with the Rig Veda Maha Lakshmi Mantra as well as a powerful hymn to Sri Durga Devi, in order to increase the spiritual benefits of chanting this hymn. Chanting this every day will bring every form of wealth and every kind of protection. In the Samputita Sri Suktam, very powerful mantras from the Chandi Saptasati are incorporated into the Sri Suktam, which magnifies its auspicious energy. In addition, a wonderful Lakshmi mantra is also added, which contains the auspicious seed syllables "Srim" and "Hrim." These seed syllables, or bijaksharas, are extremely powerful and shower the subtle nervous system with divine nectar. Amma recommends the chanting of Sri Suktam or Samputita Sri Suktam every day. According to the Vedas, we can overcome all karmic difficulties if we chant the Sri Suktam in front of a Sri Chakra every day. When the Samputita Sri Suktam is chanted in front of a Sri Chakra, the sacred vibrations of the sounds are attracted to the central point, or bindu, of the Sri Chakra. As the sound vibrations focus and become absorbed in the bindu, a tremendous cosmic energy emanates from the Sri Chakra and blesses the chanter as well as the entire household. It has been said that chanting the Samputita Sri Suktam in front of a Sri Chakra is equal to chanting all four Vedas ten million times.
