A TOWN AT RISK

Macon's Point mayor Annie McCabe loves her small community. Ever since she took over her ex-husband's political term, she's worked tirelessly for the people she has grown to care about. Now the town's main employer, Corbin Manufacturing, is on the chopping block, and Annie must convince Jack Corbin to keep the company in business.

It's clear to Annie that Jack is just here to wrap things up and move on. After years of making concessions to her ex, Annie is not about to let another man walk all over her—especially with the future of Macon's Point at stake. But Jack is not the heartless, hard-nosed businessman she expected. He makes her laugh. He cares about her small son the way her ex never did. Can Annie make Jack see the true value of his hometown...and its mayor?
