Problem Child

James Roy

Problem Child James Roy

Max Quigley doesn't think he's a bully. He's an "observer". He observes the habits, interests and peculiarities of other people, which he then points out. A lot. Triffin Nordstrom isn't really all that clever. He's a nerd. He reads too many fat books, makes medieval seige machines out of Lego, and probably speaks fluent Elvish. Plus he lives way out in the bush with his mum, who he calls Ulrika. Max and Triffin. It's a match made in hell, and it's going to get uglier than a second-hand cheesecake. In this hilarious look at playground politics, James Roy has created the ultimate odd couple, two boys who don't see eye to eye, but have to, somehow.
