River's Song

Following her mother's funeral, and on the verge of her own midlife crisis, widow Anna Larson returns to the home of her youth to sort out her parents' belongings, as well as her own turbulent life. For the first time since childhood, Anna embraces her native heritage, despite the disdain of her vicious mother-in-law. By transforming her old family home on the banks of the Siuslaw River into The Inn at Shining Waters, Anna hopes to create a place of healing—a place where guests experience peace, grace, and new beginnings. Starting with her own family . . .

River's Call

Anna Larson's daughter, Lauren, is confused, brokenhearted, and misguided. It's the turbulent 1960s and, feeling alienated from her mother, Lauren chooses to stay with her paternal grandmother. However, repelled by the woman's manipulative and spiteful ways, Lauren returns to her mother, the river, and the Inn at Shining Waters. There, Lauren begins to appreciate the person her mother is becoming--and she loves the river. However, romantic interests throw a wrench into the works and Lauren, jealous and angry, returns to her grandmother yet again. But as time passes, Lauren, now a mother to her own defiant teenager, faces a new crisis--one that puts the entire family at risk.
