## **The Single Staircase** Matt Ingwalson

A baby vanishes from a carefully watched third-floor nursery. Did her parents kill their only child and hide the body? What other solution could there be?

This is a modern police procedural about a singularly disturbing crime. It's also a classical locked-room mystery that will keep you guessing right up until the end.

All after-tax profits from the sale of this book will be donated to charities that help find missing children.
