Beyond Judgment: Brainrush, Book 3 Richard Bard

Stricken with amnesia after a six-year coma, Jake Bronson is haunted by fleeting ghosts of his former life. When his hidden past finally rushes back, it's accompanied by assassins, psychopathic world leaders, and an ancient order determined to unlock his dormant talents and use them to trigger the extinction of humankind. Jake reclaims his life, but the reunion is bittersweet, placing long-lost friends and loved ones in harm's way - as those hunting Jake will stop at nothing to force his participation in their atrocious scheme.

As a madman's vision for the future nears its apocalyptic fruition, Jake and his allies must find a way to overcome impossible odds and unstoppable foes - or watch as the world burns into oblivion.
