Hector Dean is shaved, tattooed, and totally ripped—and he has a deadly secret. He is a walking weapon, capable of killing with a single brush of his fingertips. Little wonder he's determined to remain on his own. But Noelle Tremain is a temptation like no other. She is beautiful and rich, with a party girl smile that hides a shocking vulnerability, and from the beginning his sizzling attraction to her is undeniable. For the first time, his stone-cold resistance is tested. But to be with her, he risks destroying her.

When a wealthy businessman is murdered in New Chicago's seediest district, the two are partnered, and there's no escaping what they both want: each other. Yet neither Hector nor Noelle knows what to fear more—the killer case, or their own lethal desires. . . .
