Foucault y el psicoanálisis (Spanish Edition)

Mauro Basusare

Foucault y el psicoanálisis (Spanish Edition) Mauro Basusare

Esta edición revisada y ampliada es un acierto por la erudición minuciosa que despliega, particularmente respecto a Foucault, así como también por la claridad de su escritura, constituyéndose indudablemente en un aporte muy valioso al debate intelectual, aquí en nuestro medio y también en otros medios académicos, particularmente exigentes, como el francés o el alemán, tal como lo acredita la recepción que han tenido los trabajos de Mauro Basaure sobre el “malentendido” Freud/Foucault.
