## **Healing Voice: Il suono guaritore del canto medianico (Italian Edition)** Krisztina Nemeth

In questo libro l'autrice descrive la sua adolescenza durante il Socialismo, la sua strada come cantante lirica e insegnante, per arrivare poi a raccontare le esperienze extrasensoriali come Medium della Voce. Nel libro è presente la testimonianza dello scienziato italiano Daniele Gullà, il quale, grazie alla sua speciale telecamera TRV, descrive gli effetti concreti del canto di Krisztina Nemeth sulle persone. Krisztina racconta: "Nel mezzo di una bella carriera nel mondo della lirica, l'amore mi ha fermato a Trieste e mi ha letteralmente cambiato la vita. Un giorno, durante una lezione di Yoga, una mia allieva è caduta in trance; per aiutarla mi è venuto spontaneo avvicinarmi a lei e cantare in un modo che non avevo mai sperimentato prima. Da quel momento la mia strada è mutata radicalmente; lasciai la lirica e mi dedicai a cantare in questo modo 'strano', come Medium della Voce. Ho contattato e incontrato alcuni medium esperti, i quali mi hanno confermato che è una cosa reale; io ho il dono del 'Healing Voice', per risvegliare le anime". Nel libro sono riportate testimonianze dirette ed esercizi per aiutare le persone a sentire il proprio suono e il suono medianico. L'autrice ha scelto di omaggiare chi acquisterà il libro di quattro brevi "canzoni" con la sua Healing Voice, che sarà possibile scaricare da internet tramite un codice che verrà incluso nel volume.
